## CAMPOUT IN THE PINES

Explore the great outdoor while you're at Campout in the Pines! There are multiple on-site and off-site activities around Eau Claire for you to enjoy for those times when you're not watching the live music or relaxing at your campsite.

### ON-SITE ACTIVITIES

#### DISC GOLF COURSE

Whispering Pines 9 hole disc golf course will be setup through out the unused 100 acres of the grounds. It will run through a mix of the prairie and forest.

\*Don't forget your discs!

#### PLAY KUBB / YARD GAMES

Enjoy a social distance game or two of Kubb in the festival bowl during the day. It's an easy game to catch onto.

We have a large festival bowl that you can play yard games in during the day.

#### EXPLORE THE GROUNDS

Feel free to spread out and walk around the grounds without all of the people that are normally at the Blue Ox Festival. We have over 100 acres to explore, have a picnic, play yard games, enjoy wildlife and just enjoy the outdoors.

### MONARCH HILL HEMP & CBD WALKING TOURS Friday & Saturday (Times TBA)

During this walking tour you will be able to see and smell beautiful hemp plants, their flower buds bursting with CBD sparkle. Enjoy some education on the CBD plant. Topics of interest may include farming practices, greenhouse production, terminology, and processing equipment and methods.

You may extend your walking tour with the wildflower butterfly walk to the back 20. On this ¾ mile walk you can hike up the hill and have a view of Eau Claire. Social distancing expected and respected. After your tour, come back to the booth and purchase products made right on the farm so you can experience the health benefits of CBD for yourself. *All ticket holders receive 15% off your entire purchase*
