

## **Blue Ox Music Festival: Craft Vendor Rules & Regulations 2025**

***Dates: June 26-28, 2025.** The following is a list of rules and regulations that you agree upon as a vendor. If you choose not to comply with these guidelines, Blue Ox Music Festival management will ask you to leave the festival site without refund.*

### **Space and location**

We do not guarantee sales at your booth and we reserve the right to change vendor locations without notice in accordance with changes that are made to the grounds. Hawking and making sales outside of your approved booth space is not permitted under any circumstance.

The space assigned at vendor check-in is the only space allotted to you. If you find during set-up that you will need more space, you must contact the Vendor Coordinator who will contract additional space based on availability. You will be required to pay for the additional space before sales will be allowed at your booth.

There is space for **TENT ONLY** camping behind your booth. If you are bringing an RV then you will have to camp in the vendor camping area as there is not enough space for you to park your RV behind your booth.

### **Sponsorship and products**

Sponsors are an important element in the continuation and growth of our event. Specific sponsorships include exclusivity to products. Some products that are exclusive to sponsors include but are not limited to: beer, liquor, ice, soda, CBD/THC drinks and water.

Approval for vending space is based on the products listed on your application. These products are approved with consideration of our sponsorship agreements. Vendors will not be able to sell products that are in conflict or competition with sponsor products or that could serve as a danger to fans or staff. Blue Ox Music Festival Management reserve the right to remove any product from the grounds that has not been listed as an approved item to sell.

### **Exclusivity**

Vendors are not granted exclusivity on any products unless specified in writing by Blue Ox Music Festival.
